Inspectors Name _____ Signature _____ Lic. # _____

Special Inspectors are licensed by and work under the direction of various city and county building authorities. As such, the billing entity disclaims any expressed or implied liability for errors or negligence in fulfilling their inspection duties. This field report presents a summary of observations and tests conducted by the testing and inspection agency. This report shall not constitute a warranty that the work requiring special inspection was in conformance with the contract documents or the applicable workmanship provisions of the governing code. ATTORNEY'S FEES-If any action is brought to enforce or to interpret the terms of this contract, the prevailing party shall be entitled to its actual attorney's fees, costs, and necessary disbursements in addition to any other relief to which such party may be entitled.
